Dear Mr. Hawkins:

Thank you for meeting with our minerals staff and accompanying them on the tour of Brush Resources' mine. The meeting and tour confirms that Brush has no further reclamation responsibility on federal land. In your letter of March 1, 2001, you have established that no further mining activity will be taking place on federal lands and request to have the Plan of Operations UTU-063446 closed.

This letter is to inform you that Plan of Operations UTU-063446 has been closed and Brush Resources is hereby released from reclamation and bonding responsibility with the Bureau of Land Management for said operations.

If you have any further questions or concerns regarding this issue, please call Jerry Mansfield at 435-743-3125 or Larry Garahana at 435-743-3126.

Sincerely,
